## Business Description

### Profitable and fast growing ecommerce site

Leading online ecommerce store is one of the top providers for party gifts and corporate gifts. We carry a vast selection of personalized gifts for all special occasions, from wedding, business events, to holiday parties. Our total product SKUs are 20,000. We have a large customer base of 100,000. All products are shipped via our vendors/partners based in US. We are Google trusted store and the BBB rating is A+. The Alexa ranking is 300,000/83,000(US), our facebook likes are 32,000. The 2014 sales is \$1.37 Million.

Our operation team includes a customer service team based in US and a web team

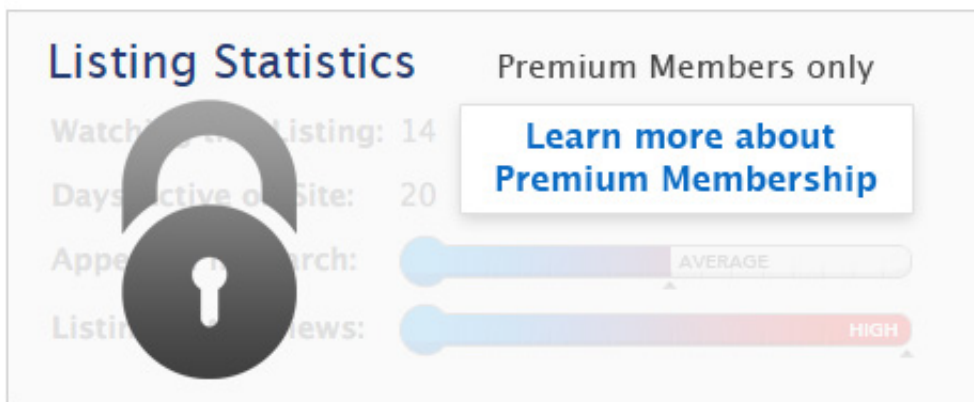

based overseas. The overseas team is operated with low cost and owns the following technical and marketing expertise: site development, search engine optimization, running online ads, social media manager and web content development.

## Detailed Information

**Growth & Expansion:** Great growth potential by expanding more product categories. The overseas team is easily expandable with great profit margin.

**Support & Training:** Existing personnel can operate on day-to-day basis if buyer wishes to retain employees. Seller will provide ongoing support as needed.

**Reason for Selling:** Other business interests
