

How to Leave a Product Review on Amazon

Thank you for your purchase of our product. Product reviews are one of the most important things that customers look at on Amazon. If you are able to take the opportunity to leave an honest Product Review it helps both us and other customers 😊

1. Go to Amazon.com and click “Your orders”. You may or may not need to login.

2. Find the order and click “Leave a Product Review”

3. Leave a review. A couple of sentences is more than adequate. If you have the chance to upload a picture that is even better.
