Freight Forwarders & Logistics

Pacific Freight Forwarding- www.pcb.ca - Domestic Shipping within North America, Customs Brokerage - (Used by EcomCrew) Mike and Dave both use PCB for LTL (less than truck load) and FTL (full truck load) shipments within Canada and the USA. Rates are very reasonable and they are highly responsive.

Great World Shipping – www.gwllcorp.com - Shipping from China, Customs Brokerage - (Used by EcomCrew) Mike uses Great World for nearly all of his shipments from China. They provide door to door service from China (meaning they handle the China shipping, domestic shipping, and customs brokerage).

Trust Freight – www.trustfreight.ca – Shipping from China (specifically to Canada) - (Used by EcomCrew) Dave uses Trust Freight for many of his shipments from China to Canada. He has used them for air and sea shipments. Very responsive team but negotiate rates if possible.

FlexPort – www.flexport.com – Shipping from China, Domestic Shipping We've never used Flexport but many of our friends and colleagues have. They offer real time shipment tracking and competitive rates. They're a silicon valley, venture-funded- company that is trying to take freight forwarding into the 21st century.

Accounting & Legal

Moss Adams - www.mossadams.com - U.S. accounting - (Used by EcomCrew)

Dave has used Moss Adams for his U.S. filings. They are very experienced with international clients and have locations throughout America. Pricy, about \$400/hour.

Alexander Holburn Beaudin + Lang LLP - www.ahbl.ca - Canadian legal - (Used by EcomCrew)

Dave has used Alexander Holburn for many of his Canadian legal needs including business sales, incorporations, and miscellaneous other legal needs. One of the older legal firms in the Vancouver area and highly recommended for any Canadian legal needs.

Insurance

Hub Insurance - www.hubinternational.com – Product liability and business insurance- (Used by EcomCrew) Dave has used Hub International for his business and product liability insurance. Liability Insurance, \$1 million, started at around \$5000+.

LIA Insurance – www.liainsurance.com – Product liability and business insurance - (Used by EcomCrew) Mike uses this brokerage for all of us business and product liability insurance. Specializing in California.

Services in China

Asia Inspection – www.asiainspection.com - Product inspection in China (and other countries) – (Used by EcomCrew) Used by Mike and Dave. Pre-shipment inspections, mid-production inspections, etc. for around \$300/day. Dory Lanter (dory.lanenter@asiainspection.com) is familiar with EcomCrew student requirements.

ANT Logistics - www.antlogistics.com.cn - FBA Prep and Delivery Service within China – (Used by EcomCrew) Used by Dave. He uses this company for his air shipments from China. He gets lower Air Courier rates than is normally possible with UPS, DHL, etc. Limited English support.

ProQC – www.proqc.com – Product inspection in China (and other countries)- (Used by EcomCrew) Used by Dave. Similar pricing and services to Asia Inspection but slightly more responsive to customized services.
