Too Cool for Drool! Our Baby Bandana Bibs Boast the Cutest Designs

Picture your adorable baby in these adorable bibs, with their fun, creative graphics. You'll have the cutest little drooler at daycare! Our 12-bib pack gives you two week's supply, with trendy designer prints for scene-stealing style.

Sold as a 12-piece set, you'll have enough bibs to last throughout the entire week. The material won't fade or shrink, staying strong and vibrant even after multiple washes so they come out looking just as beautiful as they did when you put them in.

3 100% organic cotton

hypoallergenic

high absorbency

no shrinking or fading

BABY GIFT SET

Our 12-pack of baby bibs makes the best gifts a mother can receive These bandana bibs are durable and longlasting even with messy babies. We promise quality and satisfaction in all our products for you and your kid.

O Safety Clips

HYPOALLERGENIC MATERIALS

The organic cotton and soft poly-fleece fiber materials of each baby bib are non-allergenic, making it perfect for your baby's sensitive skin. They even prevent skin rashes caused by drool.

HIGH ABSORBENCY

Made from 100% organic cotton, the patterned front of Daulia bandana drool bibs has high absorbent properties that makes it easy to absorb baby's drool and spit up, keeping the mess at bay and your little one completely dry

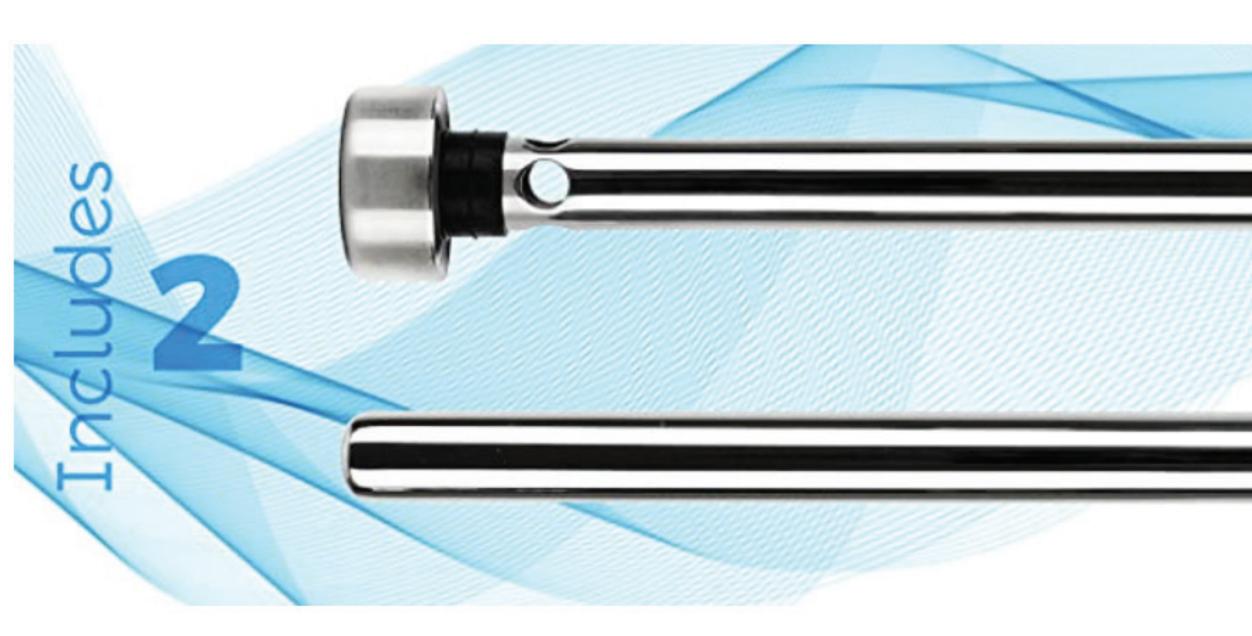

ADJUSTABLE SNAPS

Accommodating babies from 3-24 months of age, these bibs are outfitted with two non-irritant, nickel-free snap closures on the back to allow for a secure, comfortable fit that can't be pulled off.

ChillVeza Beer Chill Sticks were designed and developed to chill your beer quickly and efficiently without dilution. Designed for people who baby sit their beers or who can't stand to drink warm beer and need a quick solution to lower the beer's temperature.

Chills your beer in seconds!

Two beer chiller sticks are included with your purchase

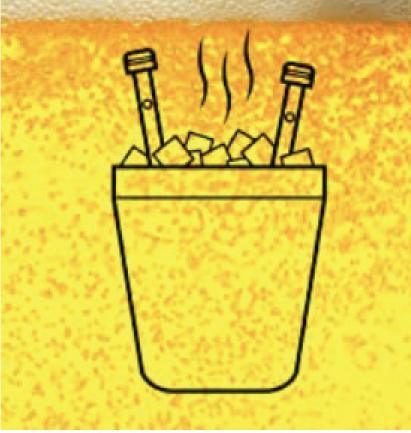

FILLED WITH REFRIGERANT LIQUID

high quality magnetic gift box

ChillVe:

STEP 1 Place your chiller sticks in the freezer for a minimum of 1 hour or until desired temperature

STEP 2

Open a bottle of beer and take a couple of sips to make room for the chiller stick.

Never drink a warm beer again

STEP 3

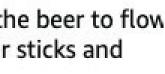

Insert the chiller stick into the bottle and press it down firmly to create a tight seal

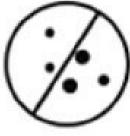

STEP 4

Drink normally to allow the beer to flow through the frozen chiller sticks and enjoy!
